

Clandon Park development still promoted (9/5/16)

Although it doesn't appear in the draft local plan proposals for a major housing development around Merrow Park and Ride site appear to be still on the table.

The Parish Council has received a brochure with an outline of a scheme to be known as Onslow Park. The new submission has been made by Lord Onslow in person. 1000 houses, secondary and primary schools, business premises, shops, cricket ground, tennis courts, playing fields and a care village are all listed included.

Its not clear what the status of these proposals are at present although our assumption is that the promoters will seek to see it inserted into the Local Plan around the consultation phase.
