

## **Burpham consults on Neighbourhood Plan**

Burpham Neighbourhood Forum has submitted a neighbourhood plan to the Council.

A neighbourhood plan is a document containing planning policies for a single neighbourhood area. If the Burpham Neighbourhood Plan is adopted, it will be used to help determine planning applications within the Burpham Neighbourhood Area (Burpham ward) along with the Council's Local Plan and other considerations.

Guildford Borough Council are consulting on the Burpham Neighbourhood Plan between 30 March and 15 May 2015. For more information about the consultation, to view the neighbourhood plan and other consultation documents, and to find out how to make your views known, please visit the Planning Policy consultation website at [getinvolved.guildford.gov.uk](http://getinvolved.guildford.gov.uk).
