

Have your say on polling places in Guildford

Is your nearest polling station easily accessible? The Council is reviewing its polling districts and stations and wants local residents to give their views.

We would like to know what you think about all aspects of polling, including current sites, recommendations for new locations and opinions on existing sites.

Suggestions and feedback for alternative polling places in the borough are welcome. We also encourage comments from individuals with expertise about accessibility for those with disabilities.

The statutory review aims to ensure that during parliamentary elections voting facilities are accessible for all. A review is carried out every five years.

Anyone registered to vote within the Guildford Borough or Guildford Parliamentary Constituency can have a say.

The closing date for comments is Friday 5 April 2019. You can email your views to electoralservices@guildford.gov.uk, telephone 01483 444126 or write to us at:

The Returning Officer
Guildford Borough Council
Millmead House
Millmead, Guildford
Surrey
GU2 4BB
